Advanced Science, the newest journal in the Advanced Materials journal family, is an interdisciplinary open

access journal publishing research from all areas of science, including physical, medical and life sciences, as well as engineering.

### **Browse Open Access Journals | Wiley**

Blood doping is the practice of boosting the number of red blood cells in the bloodstream in order to enhance athletic performance. Because such blood cells carry oxygen from the lungs to the muscles, a higher concentration in the blood can improve an athlete's aerobic capacity (VO<sub>2</sub> max) and endurance. Many methods of blood doping are ...
